 G   C
One day our local D.J.
     G   C
Came walking through our school.
         G   C
He said, "Come on kids it's Christmas time,
         D   G
Tell me, what's that mean to you?"
     G   C
We yelled into his microphone
         G   C
About the gifts that Santa brings,
         G   C
Of candy canes and fairy lights.
    D   G
We just forgot one thing !

```
     G                    C
We won't forget this Christmas time
        G               C
To honour Christ our King
      G           C
The baby born in Bethlehem
     D               G
Of whom the angels sing.
     G            C
He is the hope of all the world.
     G             C
He is the Prince of Peace.
       G                 C
He brings the saving love of God
         D               G
To the likes of you and me.
