

**Come Sit With Me**

C / C / C /

C / C / C / C

O come sit with me

G / G / G / G

My beautiful friends

C / C / C / C

In stillness and peace

F / F / F / F

Come rest again

C / C / C / C

In a place of our own

G / G / G / G

In a space of our own

C / C / C / C

Come sit with me.

So come rest awhile

Here by my spring

Come drink from the well

The joy I bring

Life everlasting

Abundant and free

Come sit with me.

F C / C / C / C

Life everlasting

G / G / G / G

Abundant and free

C / C / C / C

Come sit with me.

O come let me teach

O come let me reach

Into that place

Where God awaits

That place set apart

In the depths of your heart

Come sit with me.

F / F / F / F /

I am the way the truth and the life

F / C / C / C / C / G / G / G / G

Who lives in me lives in the father

And the truth you shall know

And the truth you shall see

And the truth that I speak

Will set you free

Come taste and see

Live and be free

Come sit with me.

I am the way the truth and the life

Who lives in me lives in the father.
