Our God is not a distant God

Am

Who rules so high above.

Em

O no God's Spirit lives and breathes,

F G

And fills the earth with love.

And out of you, O Bethlehem,

From you will come our King,

And his will be a reign of joy,

Let all the nations sing.

Go shout it from the mountain tops

Go tell it in the streets.

God's own reign of joy is here

God's justice and God's peace
